CUNA MUTUAL INSURANCE GROUP

MEMBER'S CHOICE® Credit Life Insurance gives you a way to cover your loved ones from the unexpected. It reduces or pays off your outstanding loan balance, up to the policy maximum, if you were to die before paying off the loan.

MEMBER'S CHOICE Credit Life Insurance is convenient, economical, flexible and tailored to your specific needs. It offers these advantages:

- Reduces or pays off your covered loan balance.
- Helps protect credit rating.
- Requires no complicated enrollment forms or physical exam.
- Offers the convenience of including premium in your loan payment.
- Helps cover collateral against repossession.

Many people believe life insurance is their family's financial safety-net if a "breadwinner" dies. Take the time to determine whether you have enough life insurance for your family. Then ask your loan officer about covering your next loan.

Your purchase of credit disability insurance, underwritten by CMFG Life Insurance Company, is optional and will not affect your application for credit or the terms of any credit agreement required to obtain a loan. Certain eligibility requirements, conditions, and exclusions may apply. Please contact your loan representative, or refer to the Policy Agreement for a full explanation of the terms.
